

MATCHMAKING INDIVIDUALP

POLAND

S

Version 1 12 2021

Author(s): dr Magdalena Małachowska, Academy of Art Contributor(s): dr Sylwia Bąkowska, Patryk Grygierczyk Academy of Art

Description

The concept of individual matchmaking was to spread the world about the project during Info Day, run phone calls with companies, find the ones that are interested and run an hour or two a workshop on challenges that can be solved by designers.

Tu run workshops we used online platform MURAL.co After the workshop we invited companies to do the short movie about the companies, which we shared as online tools In social media.
