

Workshop at Porzellanikon - Staatliches Museum für Porzellan Hohenberg

September - October 2020

Summary

In February 2020, together with Porzellanikon - Staatliches Museum für Porzellan Hohenberg a. d. Eger/Selb located in Selb, CerDee held a workshop that collected ideas and opinions of ceramists from Saxony, Thuringia, and Bavaria. CerDee works for the betterment of the Ceramists, so knowing their ideas and opinions are crucial for the success of CerDee's current and future projects.

The Porzellanikon is a museum complex dealing with the production of porcelain and ceramics in Selb and [Hohenberg an der Eger](#). The complex of museums was the result of the merger of the European Industrial Museum for Porcelain, the European Museum of Technical Ceramics, the Rosenthal Museum and the German Porcelain Museum in Hohenberg an der Eger. Since 2012, the Porzellanikon has been included in the [European Route of Ceramics](#) as a member of the "UNIC" ("Urban Network for Innovation in Ceramics").
