<p><i>Explain why the company wants to implement an Industry 4.0 project?</i></p>		

# DE MINIMIS DECLARATION

This declaration shall specify all de minimis aid **received** or **applied** for by an undertaking or a group of **undertakings as “one company”** in the current and the previous two calendar years.

Undertakings shall be regarded as ‘one company’, which have at least one of the following relationships:

- An undertaking holds a majority of the voting rights of shareholders or members of another undertaking.
- An undertaking shall be entitled to appoint or withdraw a majority of the members of the administrative, management or supervisory body of another undertaking;
- An undertaking is entitled, in accordance with a contract concluded with another undertaking or by a clause in its articles of association, to exercise a dominant influence over that undertaking;
- An undertaking which is a shareholder or shareholder of another undertaking shall exercise sole control over the majority of the voting rights of its shareholders or members in accordance with an agreement concluded with other shareholders or members of that other undertaking.

In the case of a merger or acquisition, all de minimis aid granted to the undertakings concerned in the current calendar year and in the previous two calendar years must be indicated. In the course of divisions, the de minimis aid is attributed to the company to which it benefits, usually to the one that takes over the activities for which the de minimis aid has been used. If this is not possible, a proportionate distribution shall be made on the basis of the book value of the equity at the time of the actual split-up.

I hereby expressly declare that, for the current tax year and in the previous two tax years, I/we are following de minimis aid within the meaning of:

‘Commission Regulation (EU) No 1407/2013 of 18. Published in Official Journal L 352/1 of 24 December 2013 on the application of Articles 107 and 108 of the Treaty on the Functioning of the European Union to de minimis aid. December 2013 (hereinafter referred to as: ‘De minimis Regulation’) received:

Aid providers	Amount of support in EUR	Beneficiary undertaking	Date of grant/funding tenders	Date of application for funding
<b>Total</b>				

In addition, during the current tax year and in the two previous tax years, the company has applied for the following de minimis aid which has not yet been granted:

Aid providers	Amount of support in EUR	Beneficiary undertaking	Date of grant/funding tenders	Date of application for funding
Total				

*[Other de minimis aid may be listed on a separate sheet in accordance with the tables above.]*

The company is/is *not active* in the road transport sector. The company is not active in any of the sectors listed in Article 1(1) of the Dec minimis Regulation.

I/We declare that I/we have made all the information to the best of my knowledge and conscience and can provide them with appropriate documentation. Furthermore, I/we undertake to notify us immediately in writing of any changes to this information.

I/We also declare that I/we are aware of the de minimis regulation and recognise the application of this regulation as a legal basis.
