

## *Experience Forschung Burgenland - consortium*

### *Partnership, cooperation*

- Relatively big consortium, professional and flexible LP
- Good cooperation between all PP
- Despite Corona crisis most deliverables were done in time by all PP

### *Topics, Content*

- Analysis and development of IFI-tool was very helpful
- Gaining of new know how and experiences because of many inputs of all PP

## *Experience Forschung Burgenland - regional*

### *Regional cooperation*

- Positive feed back of regional stakeholders, common development of regional IFIs started
- Dissemination of FIRECE content together with member of regional government

### *Regional benefits*

- FIRECE Know How used in development and implementation of IFI for local authorities
- FIRECE Know How used for development of regional IFI for SME and industry
