## Stakeholder Dialogue & Round Table 2

February 14<sup>th</sup>, 2019, 09:30 - 12:30

Budapest, Hungary

Dear Madam, dear Sir,

we are very happy to send you a first announcement for this event, aiming at the collection of important external input for the final elaboration of the

### **DriFLU Charta.**

This is a document which is currently being elaborated and which will show the strong commitment of the institutions involved in PROLINE-CE towards an optimized and effective land use management with efficient organizational structures, regarding drinking water protection. The signing act is foreseen during the Final Conference on June 4<sup>th</sup>, 2019 in Vienna.

You will receive an official invitation including registration possibilities in mid January 2019.

For more information, please visit the project website [www.interreg-central.eu/proline-ce](http://www.interreg-central.eu/proline-ce).

The project-newsletter 02 is available [here](#).
