

PROJECT MEETINGS

8th PSC MEETING IN KOŠICE

The 8th partnership meeting took place in Košice (Slovakia), on 10th October 2018.

TOOLBOX OF SMART PARTICIPATORY METHODS & TOOLS

A toolbox of Smart urban innovation participatory methods & tools is a unique tool that will help you to engage end-users (citizens, consumers) into urban innovation process: urban development strategies, smart urban solutions, services or technologies. The Tool is one of the major project outputs published as an on-line tool, as well as in printed version.

Transnational training for facilitators

Knowledge transfer workshop and training for facilitators, organized by project partner E-zavod, was held on 16th and 17th May 2018 in Maribor (SI)

PILOT PROJECTS

In the 5th project period URBAN INNO pilots have entered into their final stage. Take a tour and find out more about local projects and events.

VORARLBERG Pilot: e-Mobility

Innovative participative solutions in the field of e-Mobility

KARLSRUHE Pilot: eDrais2017

Participative methods for eBike infrastructure building in the Karlsruhe region with focus on energy issues

TRENTO Pilot

Engaging citizens in the development of innovative government process/services in the urban area

RIJEKA Pilot

Engaging citizens in creation of Citizen Collaboration Platform – CCP

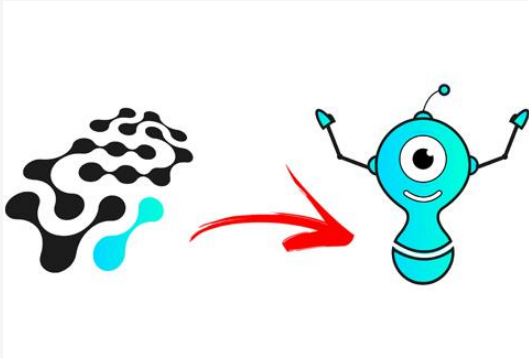

MARIBOR Pilot

Integrating public infrastructures and end-users through common platform (single entry point)

TUKE-KOŠICE Pilot

Innovative Urban Food System – digital market of agricultural products and the innovation of subsidiary processes

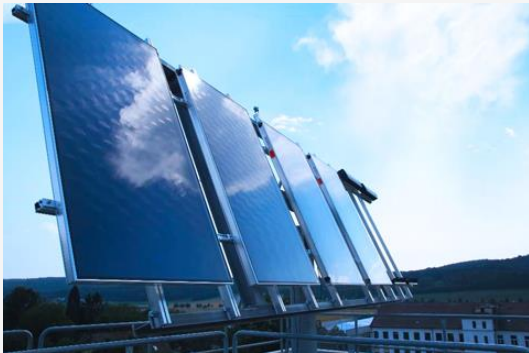

KIELCE Pilot

Smart City tool for managing organizations networks, boosting innovation and development

VAS COUNTY Pilot

Multidisciplinary Science Center

BURGENLAND Pilot: Energy Strategy 2050

Innovative participative solutions for engaging all stakeholder groups during the development of an energy strategy and a hybrid district heating system

Matchmaking of participatory methods and pilots

The objective of the URBAN INNO pilots was to implement and evaluate (smart) participatory methods in urban innovation processes

URBAN INNO AT PUBLIC EVENTS

As the project is approaching to its final stage, the results of local efforts are being shared among interested parties and stakeholders to foster potential future collaborations, based on URBAN INNO experiences and outputs.

Economy fair Vorau ImpULS

ICE/IEEE International Technology Management Conference 2018

International Bled eConference 2018
