Preview of our new funding opportunities

## Start your future cooperation today!

Interreg CENTRAL EUROPE will soon offer fresh funding for transnational cooperation. We will support the best project ideas and partnerships to work together on common challenges beyond national borders with an indicative amount of 72 million Euro.

Our call for project proposals will launch in autumn, but as of today we will provide you already with key information to get prepared. Find out more below and start developing your project ideas and partnerships well in advance.

## First call will launch in autumn

Become part of our transnational cooperation community and work together with other organisations beyond borders to make central Europe a better place. In our call preview, we provide you with crucial information on the timeline, funding topics, basic requirements for partnerships and much more.

## Smarter, greener, more connected and integrated

Interreg CENTRAL EUROPE envisions a more integrated central Europe that cooperates to become smarter, greener and better connected. The first call will be open in all programme priorities and specific objectives. Project activities are expected to address the development and implementation of strategies, action plans, tools, training, pilot actions and related solutions.

## funding in our support measures

We aim to fund projects that take central Europe forward and we will support you in developing relevant ideas and partnerships. In this call preview phase, we will help you to get familiar with our programme in a series of short video explainers and upcoming webinars. You can also reach out to our national contact points in all programme countries.

## A new way of building transnational partnerships

Our brand new applicant community is open to organisations from across central Europe. It will help you to find partners with the right expertise for your project idea. You can also browse existing ideas and get in touch with other applicants to offer your expertise and cooperation. It's all for free and all digital.
