

Third Call

44 new cooperation projects selected

.....

We will fund 44 new cooperation projects following the third call for proposals.

Around 77 million Euro from the European Regional Development Fund will support activities of transnational project partnerships in the coming years.

Fourth Call

Experimental call coming next

.....

We will launch an experimental call on 4 March 2019. The aim will be to capitalise on results of our already funded projects.

We will also encourage closer coordination with new partners from other EU funding instruments such as Horizon 2020 or LIFE.
