

# 20-Year Anniversary Conference

.....

On 21 and 22 September we celebrated 20 years of cooperation and opened our third call for proposals. If you missed the conference, you can watch the recording and check discussions on Twitter under [#20YearsCE](#).

# Third Call Open Now

---

A new call for proposals was launched on 21 September and stays open until 25 January 2018.

Around 60 million EUR ERDF will be available for transnational cooperation ideas. In some areas the call focuses on pre-defined topics.

# Third Call Thematic Support

.....

Are you planning to submit a project proposal in the third call and want to get guidance and advice on how to improve the quality of your application? Then join us at our thematic workshops in Prague on 7 and 8 November 2017.

Participation to the workshops is recommended for advanced applicants.

# Third Call National Info Days

.....

The transnational thematic workshop in Prague is complemented by a series of national info days. They provide more basic technical and thematic support to applicants.

Join the info day in your country and shape your project idea for the third call.
