+ Text

+ 2 Column Text

- Introduce your project
- Describe your project's mission and vision
- Use for any plain text content

KEEP IT SHORT and link to a subpage with more information

+ 2 Text Boxes

+ 4 Text Boxes

- News
- Events
- Introduce work packages
- Promote pilots

KEEP IT SHORT and link to a subpage with more information

For best results resize the images beforehand and insert them via „edit tag“ menu not directly into the tag

+ 4 Numbers (animated)

+ 2 Numbers (animated)

+ 2 Numbers (static)

+ Project Duration

- Project figures
- Interesting thematic figures
- Pilots in numbers
- Dates

Remember that numbers are animated so think of abbreviating very long numbers

+ Table

- List your outputs
- List your partners
- List your pilots

Remember to insert a link into each table row for more information

+ Flexible Content Element

- Push your most important output/tool/database etc.
- Push your upcoming event/webinar
- Call for action in your survey/questionnaire

KEEP IT SHORT and remember to insert link to your output/webinar/survey etc. You can also insert image or icon to make the tag more eye-catching

Remember that well completed SEO section helps you to grow visibility in organic (non-paid) search engine results.

+ Documents and Publications

- Use it as a press corner
- Use it to display your finalised deliverables

Remember to always give a title to your documents and only upload finalised documents. To avoid long lists think of zipping related documents

+ Event Overview

- Use it to promote your external events

Remember that if you display your event via the event overview it will show also on calendar on our programme website.

Use project acronym in front of the headline for easy recognition of your event in programme event calendar

Project acronym: Conference
